Your Training Agreement

The Training Agreement is a legal document signed by your employer, a Primary ITO staff member, and yourself.

1. You have agreed to learn the skills required for the job, and participate in the training and assessment for the programme to the best of your ability.
2. Your employer has agreed to provide training at work, and to allow you to attend off job training or to study by distance. Your employer has also agreed to make time available for formal assessment of your skills.
3. Your Primary ITO contact has committed to coordinate your enrolment and to support you and your employer.

Your workplace and personal contact details

Always keep your contact details, including your workplace, up to date. We need your Physical Address to locate you for training arrangements and services. This is where your resources and all correspondence will be sent to. Let your Primary ITO contact know about changes or call 0800 20 80 20 to update your information.

Work Visas

If you are working in New Zealand on a visa, we will check that you can complete your programme before your visa expires. If your visa expires, your Trainee Agreement will cease. If you are waiting for a renewal, your Trainee Agreement could be put on hold – talk to your Primary ITO contact.

Programme completion

Your programme will be completed when all requirements have been met. On completion, you will receive your New Zealand Certificate. If you are an Apprentice, you will graduate at Level 4 and your apprenticeship programme may also include a Level 3 New Zealand Certificate.

Health and Safety

Your employer is required to comply with the Health and Safety at Work Act (2015), have adequate health and safety procedures and policies in place in the workplace, and to tell you about them.

NZ Apprenticeships

If you are an Apprentice, you and your employer have committed to at least a 2 year training journey. Primary ITO will support you, with goal setting and reviewing. More information is in the Code of Good Practice for New Zealand Apprenticeships, given to you by your Primary ITO contact.

Your Trainee or Apprentice status

- If you are a self-employed contractor, you must be under an arrangement with an organisation in the nature of employment (e.g., an exclusive contract of service).
- If you are a volunteer, you must be in an arrangement in the nature of employment with your host non-profit organisation.
- If you are an Apprentice, you need to stay employed in the occupation for which you are training.

If your job/role changes, your employer changes, or you leave work – get in touch with us as soon as you can! You may be able to change your programme or transfer your Trainee Agreement to a new employer.
